

My charging station at home and on the go

With our **app, ewz mobil**, you can easily charge your electric vehicle at home, at ewz charging stations in the city of Zurich and on the go – with the most extensive charging network in Switzerland and 40,000 other charging stations throughout Europe.

ewz mobil offers a wide range of other convenient electromobility services:

- Billing by credit card
- Easily make changes to your profile details
- Simple presentation of the current and previous billing period and parking times
- Map of all charging stations in Switzerland and Europe
- Immediately block a lost charging card and simultaneously apply for a new one

It's this easy to create your personal ewz mobil account:

1. Download the **ewz mobil app** ([iOS App Store](#) and [Google Play Store](#))
2. Register directly in the app
3. Enter your personal five-digit charging station number
→ if you haven't received one yet, you can also enter it later at ewz.ch/activate
→ if you already have an ewz mobil account, enter your five-digit charging station number at ewz.ch/activate
4. Enter and save your credit card details

You will receive your charging card by post within one working week.

ewz mobil costs

Basic fee for a personal charging station:
CHF 9.90 per month incl. VAT
Minimum contract period: none
Cancellation notice period: end of the following month

Energy costs

- You can see the cost to charge at your personal charging station [here](#):
- At all other charging stations in Switzerland and in Europe, billing is carried out according to the local operator's current rate.

Billing

The basic fee and energy used will be billed automatically via your credit card every month.

100% renewable electricity

You will be charging with pure renewable electricity at all of our fast-charging stations in the city of Zurich. This means that, together, we are making an important contribution to the preservation of our environment and setting an example of increased sustainability in our daily lives.
